Chameleon Resumes - Executive Resume & LinkedIn Profile Writing Services

#### Andrea (Goldschlager) Persily

COO - Strategy, finance, and operations leader with expertise growing, restructuring, and improving business performance

“ I hired Lisa to help me write and revitalize my resume. With little guidance from me, she produced a superlative document that will be a huge asset in my upcoming job search.

November 14, 2013, Andrea was Lisa's client

**Richard J. Caserta**

CEO | President - Innovative leadership in product strategy and driving top and bottom line growth

“ Lisa did an outstanding job creating a resume that highlighted the skills and experience that I needed to transition to a new type of position. It reflects my skillset and achievements in a format and content that I believe is exactly what a perspective employer is looking for. Lisa is very easy to work and she very quickly understood my goals and objectives and what I... **more**

October 2, 2013, Richard J. was Lisa's client

**Shreya Oswal**

Product Marketing at LinkedIn

“ I hired Lisa to create some how-to content for LinkedIn's job seeker audience and was thrilled with the articles she delivered. She is creative and knowledgeable and had a variety of innovative job search ideas for us to share with our members. I highly enjoyed working with Lisa and wouldn't hesitate to hire her again.

September 6, 2012, Shreya was Lisa's client

**Carol Ready**

Vice President, Health at Edelman

“ Lisa is a great resource for anyone who is looking to take their career to the next level. Her insight and knowledge of today's job seeking methods and the internal recruitment process are invaluable. Plus, it's a pleasure to work with her!

December 8, 2012, Carol was Lisa's client

**Zachary Nold**

Managing Director - Executive Search & Project Staffing at Hirewell zach@hirewell.com

“ Lisa was an amazing National Search Firm Manager for many years when we worked together in different offices for a multibillion dollar company. Now she is a world class resume writer. I know how to make great resumes in HR which showcase a persons actual accomplishments. However, she takes the cake with her knowledge of how to make strong resume across industries,... **more**
